CLASS DESCRIPTIONS

Level 1 = beginner Level 2 = intermediate Level 3 = advanced/experienced

CARDIO

A-RIDE: Utilizing Stages technology to track your rides, our ride classes offer a mixture of stamina, power and hills. Each class will vary and challenge both your aerobic and anaerobic system. A great way to get your sweat on in a short time. (All levels)

BOXING: This high-intensity aerobic class will give you an awesome workout while keeping you excited and motivated throughout. Wraps are recommended and can be purchased at the Adelaide Store. (Level 2 & 3)

CARDIO STEP & PUMP 101: An introductory class for those new to super cardio step and pump. The class aims to introduce you to a new style of intense cardio using the step platform and weights. Get your heart pumping and have some sweaty fun through easy-to-learn combinations and drills. (Level 1 & 2)

EXPRESS CARDIO & CORE: An all body-weight class that will get your heart rate up and target your trunk to build core strength, all in 40mins- perfect for those with a busy schedule! (All levels)

PERFORMANCE RIDE: Unplug and elevate your performance in an authentic Ride experience. It's just you and your bike, led by an expert instructor. Navigate through speed intervals, drills and climbs based on your perceived exertion, utilizing only your bike console to hit target RPMs and Wattage. Get ready to sweat, strengthen and feel the challenge. (All levels)

STEP & PUMP II: This intermediate-level Step Class blends heart-pumping combinations on the Step with targeted upper and lower body strength intervals. Step experience recommended (Level 2/3)

VIDEO HITS RIDE: Using intervals, climbs, and sprint work, this class will have you riding along to your favourite music videos on the TVs. (All levels)

Please visit https://www.adelaideclub.com/Portals/adelaideclub/pdf/track_your_rides.pdf to set up your 'stages flight' profile before your first ride.

CARDIO & WEIGHTS

ADELAIDE CIRCUIT - BALANCE: 8 Stations, 3 Rotations, no nonsense! Strike the perfect 'balance' with strength and cardio movements, targeting your entire body in just 45 minutes (All levels)

BOOT CAMP: This class starts with high intensity anaerobic drills followed by intervals of strength and muscular endurance. The music and energy in this class will keep you coming back for more! (Level 3)

CARDIO STEP TO THE CORE: This full body class will use weights, barbells, and steps to challenge your strength and cardio. Intended for new to basic steppers. (All Levels)

DANCE PARTY SCULPT: Sweat it out with easy-to-follow dance choreography, curated to a killer-playlist. Combined with high-rep, light resistance strength work using light dumbbells and your body weight. This is where fitness meets fun! (All Levels)

DEFINITION: This class focuses on strengthening those smaller secondary muscles, which aid to promote better balance and prevent injuries. Light weights exhaust the muscles through endurance. Intervals of dance-inspired movement, elevate the heart rate into fat burning zone makes this a perfect break in the middle of your day. (All Levels)

HIIT IN 30/HIIT IN 45: This high intensity interval training class will incorporate cardio and strength exercises to have your muscles burning and heart pumping in no time! (Level 2 & 3)

OPTIMIZE IN 45: Maximize your workout in just 45 minutes with 'Optimize in 45'—a total body strength and cardio class, crafted to make every minute count. This efficient class targets all energy systems, ensuring a powerful and streamlined workout experience. Join us for optimal results in minimal time! (All Levels)

PEAK PERFORMANCE: You will target your body from all angles to get you in peak performance shape. Longer, cardio-focused drills to increase stamina, explosive movements to increase power and slower, heavy resistance/weight work to build strength. (Level 2 & 3)

POWER INTERVALS: Train your muscles for power and anaerobic endurance using timed intervals. Body and free weight exercises will whip you into amazing shape! (Level 2 & 3)

POWERHOUSE GLUTES & ABS: Strength and high-intensity power drills, focused entirely on glutes and core. You will target both stabilizer and large muscle groups in the lower body and trunk. Power and cardio drills will stay focused on those areas but work to increase heart rate for improved athletic performance- get ready to sweat and burn! (All Levels)

SUPER SCULPT: This choreographed workout both strengthens and provides an up-tempo aerobic workout using light to medium weights. (All levels)

SWEATY & STRONG: This class will challenge both your cardiovascular system as well as strength. Perfect your technique as you test your muscles. You'll leave sweaty and accomplished! (All levels)

TNT: High intensity intervals make this an effective workout that will leave you a lean, mean, fat burning machine! Different exercises each week to keep your body challenged.

TRANSFORM: Ramp up your energy in this 45-minute, music-driven, high-intensity, total body workout. Leave the class feeling accomplished and ready to take on your day. (All Levels)

MUSCLE ENDURANCE

BARRE: Using the barre, small weights and other light resistance you will strengthen, lengthen and sculpt in this ballet-inspired, full-body workout. No dance experience necessary. (All Levels)

BARRE BURN: This full-body class uses the ballet barre to help target balance, coordination, and strength. Assisted by dumbbells and your body weight to feel more agile, lean, and powerful, experience how this apparatus can improve your life. Be prepared to exercise barefoot (or wear grippy socks) to be as grounded as possible.

HOT HIIT PILATES: A fusion of high-intensity interval training (HIIT) and traditional Pilates, all in a heated studio. Sculpt, tone and elevate your cardiovascular fitness in this dynamic class designed for results. (Level 2 & 3)

PILATES: Working with the torso as the body's centre, this class will enhance muscular balance and improve posture. You will learn proper alignment and breathing techniques. (All levels)

PILATES FIIT: Precision meets Power. Start with classic mat Pilates in a gently heated room, to activate your core, glutes, upper body while boosting blood-flow. Progressively amp up the intervals to challenge bigger muscle groups and elevate your heart rate. Low-impact, high-energy- leaving you feeling "FIIT" & Fierce!

STRENGTH & STAMINA: Focusing on increasing strength as well as muscular endurance, this class will have you using a variety of equipment and weights, conditioning your core and challenging your body to become more defined, long and lean. Great for those just easing back into the workout regime, yet tough enough for the vets. (All levels)

STRONG 45: Take it slow and challenge yourself with heavier weights in our full-body strength class. Targeting every major muscle group, this workout moves at a deliberate pace to emphasize precise form and technique. Designed to build muscle, strength and confidence – your path to a stronger you. (Level 2 & 3)

YOGA & STRETCH

CANDLELIGHT YOGA & MEDITATION: Join us for a deeply rejuvenating evening of gentle postures, breath work and meditation techniques with candlelight to enhance a state of calmness and deep physical relaxation. The perfect class to wrap up a full day of busy-ness!

CHAKRA FLOW 4-WEEK POP-UP CLASS: A transformative mind-body voyage through the seven energy centers of the body, known as the chakras. Each week dive into one or more of these energy centers as you're guided through powerful flows curated to activate and balance. From grounding root poses to heart-opening asanas, experience a seamless fusion of movement, breath, sound work and meditation designed to awaken your inner vitality and align your energies.

DEEP STRETCH & RELEASE: Improving flexibility, posture and breathing will help release tension throughout the body and deepen your stretch & relaxation. Athletic shoes required. (All levels)

FULL BODY MOBILITY: This class is the perfect combination of strengthening + stretching, covering all major joints and muscle groups to help you increase your overall mobility. Expect to see techniques from the world of professional dance as well as yoga, barre, Pilates and more. Perfect to offset the physical impacts of a restrictive desk job, improve athletic performance, or simply experience greater ease of movement. (All Levels).

HATHA YOGA I: Learn the foundations of a good yoga practice. Postures are taught with attention to detail and proper body alignment. (Level 1)

HATHA YOGA II: This class connects movement to breath and one pose flows into the next. More advanced yoga poses are introduced. (Level 2)

HOT PILATES: Get ready to strengthen your core, improve muscle balance and posture in this class. You'll learn proper alignment and breathing techniques while working in a heated room (95°F) to intensify the challenge and break a sweat. (Level 2 & 3)

MOBILITY MAX: Maximize your strength training with mindful awareness. This class combines the essential principles of mobility with mindfulness techniques to help you unlock your body's potential. By enhancing your range of motion and addressing common mobility limitations, you'll not only lift more

effectively but also reduce the risk of injury while cultivating a deep mind-body connection. (Level 1)

POWER YOGA: Traditional yoga postures and flows performed in a heated room. This class incorporates deep breathing, core activation, and a perfect balance between strength and length for your whole body. (All Levels)

POWER YOGA BEATS: A dynamic fusion of power yoga and rhythmic beats in a gently heated environment. Experience a transformative session that enhances strength, flexibility, and mindfulness while you sweat and flow to the energizing music. Get ready for a powerful workout that leaves you both invigorated and centered. (Level 2/3)

VINYASA FLOW: Ignite and energize. Challenge your strength, flexibility, and focus as you flow with intention through dynamic sun salutations, invigorating poses, and balancing sequences. Breathe deeply, connect fully.

Hot (90F) & Non-heated 60mins (Level 2/3)
Express 45mins (All levels)

YIN YOGA: Stretch muscles and connective tissue in this therapeutic deep stretch class. Perfect for athletes as well as those hoping to relieve stress and muscle pain. (All levels)

YOGA FUSION: A combination of hatha, ashtanga, and kundalini yoga techniques, this class will engage your muscles, open your joints, calm your mind, and lift your spirits. (All levels)

YOGA STRETCH & STRENGTH: This hatha yoga class is focused on releasing tension, increasing mobility and improving strength. Based on sound anatomical principles, this mind-body practice is designed to help students experience greater freedom in the body, moving past limitations. Open to all levels from newcomers to advanced who get that "slow is the new edge."
